1 YOUR HEAT PUMP PROJECT

Thank you for choosing Sustain Homes Limited to provide your heat pump system under **Essex County Council's Switch Together Scheme**. We are delighted that you are making the switch to renewable heating.

As a multi award winning government approved renewables company registered with MCS and Trustmark we will be able to secure £7,500 upfront funding under the Boiler Upgrade Scheme for the installation which is shown on the quotation a deduction, subject to the rules of the scheme.

With the discounts achieved by the Council's group buying scheme, the current government grant and 0% VAT on the installation, there has never been a better time to get a heat pump.

Products & Services	Quantity	Unit price	Price
<p>VAILLANT 3.5kW heat pump with a 150L Unistor cylinder Vaillant aroTHERM Plus 3.5kW SCOP at 45°C: 3.65. 5 year warranty.</p> <p>150L ASHP Unistor unvented single coil cylinder. Including expansion vessels & immersion heater. 2 year component warranty. 25 year cylinder warranty.</p>	1	£10,989.00	£10,989.00
<p>Combi Conversion Conversion from a combi boiler and the installation of the cylinder in a new location, additional mechanical & electrical installation, running of hot and cold supplies, flow and return to cylinder and connecting up to existing secondary system.</p>	1	£600.00	£600.00
<p>Radiator replacements Installation of replacement radiators, including thermostatic radiator valves & lockshields as per your system design.</p>	4	£200.00	£800.00
<p>Buffer tank Buffer tank or system volumiser, buffer connections & pipework, additional pump for central heating system.</p>	1	£0.00	£0.00

Products & Services	Quantity	Unit price	Price
Heat pump controls ASHP controller, weather compensation sensors and integration, wireless room thermostat	1	£0.00	£0.00
Heat pump installation pack Including anti-vibration heat pump feet & flexi hoses, expansion vessels, sealed system kit, pumps, strainer, magnetic filter, diverter valves & anti-freeze valves	1	£0.00	£0.00
Plumbing installation pack Including pipework, fixtures, fittings, scale reducer, filling loop, isolation valves & consumables, system cleanse inhibitor, carpet/floor protector	1	£0.00	£0.00
Pipe insulation installation pack External 19mm wall UV resistant weather-proof insulation, through wall insulation kit & 13mm internal grade pipe insulation	1	£0.00	£0.00
Electrical installation pack Including rotary isolators, cable, RCD protection, MCBs or RCBOs, control wiring, labeling, electrical consumables	1	£0.00	£0.00
Heat pump mechanical installation Heat pump & cylinder installation, testing & commissioning	1	£0.00	£0.00
Heat pump electrical installation New circuits, heat pump & cylinder wire up, testing & circuit commissioning	1	£0.00	£0.00

Products & Services	Quantity	Unit price	Price
<p>Insurances & warranty Deposit protection insurance & 5 year insurance backed workmanship warranty</p>	1	£0.00	£0.00
<p>Delivery Product delivery & waste removal</p>	1	£0.00	£0.00
<p>Design & administration Including Technical Assessment, BUS grant application, MCS design, complete room by room heat loss calculations, drawings, performance estimate, administration, MCS compliance, DNO application, building control notification & guarantees processing</p>	1	£0.00	£0.00
<p>Decommissioning of existing heating system (if applicable) Removal and decommissioning of existing heating system, capping off fuel supply and disposal & recycling of plant & components</p>	1	£0.00	£0.00
<p>External trunking ASHP external trunking up to first floor storey. 140mm width and accommodates both the insulated flow and return pipework along with any associated cabling. Made from high grade fade resistant PVC, protection from the elements, accidental damage and pest damage</p>	1	£250.00	£250.00

One-time subtotal	£12,639.00
Government BUS Grant	-£7,500.00
Total	£5,139.00

Payment Schedule

Name	Due date	Amount
Survey	Already Paid	£150.00
Deposit	To Order	£2,500.00
Final Payment	On installation	£2,489.00

We have set out some [key points](#) you need to be aware of should you decide to go ahead. We are a member of the Renewable Energy Consumer Code, member no. 00071739 and a leaflet describing the Code is available [here](#).

Please see our [terms of business](#), and [cancellation form](#) in case you change your mind

PROJECT 2 ACCEPTANCE

To proceed with the project, we kindly request that you pay the deposit. We encourage you to make the payment by bank transfer to reduce our fees:

Account Name: Sustain Homes Limited

Account Number: 13331768

Sort Code: 20-73-53

Payment Reference: Valentini

Once received, your deposit will be insured in a deposit protection scheme and you will be issued a certificate for this.

Alternatively, if you prefer to make the deposit via card payment, you can make the payment by [clicking here](#).
